Dear GHCS family,

When I chose the theme this year, UNITE, I had no idea how fitting that theme would become for my life. Thank you for the many ways you have united together in prayer on my behalf during the first 4 months of the school year. I have felt very encouraged and supported. Before we have enjoyed your meals, my husband and I have always thanked God for the people who have generously made them. The countless cards have lifted my spirits and reminded me “how good and pleasant it is when God’s people live together in unity.” Psalm 133:1. I am eager to return to the classroom January 3 and covet your prayers for this transition as I balance teaching with continued physical therapy. I can’t wait to be back with you all! Thank you, Kirsten Terborg
